Banner Web

Banner Web is the online information system used by the college. Through it, you can access registration information, grades, financial aid information, and much more.

To access Banner Web, you will need your Banner ID, a number that begins with 9000, and your Banner PIN. These were given to you when you enrolled in the college. If you have forgotten your Banner ID, you can look it up [here](http://fsweb.bainbridge.edu/gaview/students/BannerWeb.html). If you have forgotten your Banner PIN, you can get it IF you previously set-up a secret question in Banner. To do this, go to the Banner login page and click on the Forgot Pin button. When you answer the secret question, you can retrieve your PIN. If you have not set-up a secret question, you will have to get your PIN in person with a photo ID in the Admissions office.

Finding your email address in Banner

To get your email address from Banner, login to Banner and click on Personal Information from the Main Menu:

On the next page, Personal Information Menu, click on the fourth line, Bainbridge College Email Information:
